RIEGER AGRICULTURAL MACHINERY FACTORY

25X1

25X1

The Rieger Agricultural Machinery Plant at Sibiu has undergone a radical transformation. The manufacture of agricultural machinery has been shifted to Turnisor near Sibiu, where new buildings were erected in the vicinity of the airport on the Turnisor-Crista [unidentified] road. The new plant employs 60,000 workers.

The old plant specialized in the manufacture of truck and tractor motors for export to the USSR.
